

USCF AFFILIATED

Start visualizing summer and join our exciting, chess camp. If you have children Kindergarten –9<sup>th</sup> grades next year who love chess and want an alternative to day care or just some fun to do other than video games, then this camp is for them. We feature chess lesson every day for beginners, intermediate, and advance players. We have special lessons, teachers, and dynamic videos to help your child improve his or her chess play, abilities, and raise their USCF rating. We will provide weekly tournaments and chess instruction daily designed for your child's ability to maximize improvement.

**Program:** Colley's Chess Café uses a three prong approach for chess players improvement based on the wisdom of World Famous Chess Grandmasters that has held stood up to the test of time:

First: An ongoing study program using a combination of learning curriculum which includes: opening knowledge, middle game tactics, endgames techniques, and checkmating fundamentals. Drawing on source material which includes the official chess curriculum from the Netherlands, long established general principles of chess, John Bain's Tactic Workbook, and custom designed CCC curriculum. We use cutting edge computer software, highly visual display, and fantastic chess instruction presentation skills to make a very effective and fun chess learning experience.

Second: Weekly USCF rated chess tournament held every **Friday**. This will test your child's chess ability, ongoing tournament practice and provide notated chess games for review.

Third: Review of chess tournament games by local chess experts which will provide praise for good moves and ideas for improvement
